Commonwealth Bank of Australia Healthcare Banking team understand the issues and financial needs of the aged care and retirement industry. We use our knowledge to structure financial solutions for all your professional and personal banking needs.

Kym and Vesna work exclusively with clients in this industry and are locally located backed by the support of a wider national team.

The Bank's total capital solutions offering includes the full suite of banking products and services including

- Transaction banking
- Business loans
- Cash flow solutions
- Asset finance
- Merchant facilities
- Commercial financing for mergers and acquisitions
- **"First Class Service Experience" to all clients**

Kym and Vesna understand the importance of building a relationship with you and your colleagues and are willing to visit you and deliver the advice your business expects from a leading bank.
