

SPEAK UP FOR OLDER AUSTRALIANS.

CANBERRA CAN BE A LITTLE HARD OF HEARING.

The Grand Plan is a new vision for the future care and support of elderly Australians. As part of that we are encouraging all Australians to lend their voice to our call for Canberra to ensure that:

- aged care is provided when it is needed, rather than rationed;
- the system is easy to navigate and gives older people and their families genuine choices of service types and providers; and
- the way we pay for aged care meets the actual cost of the care provided.

If we all speak up, Canberra will have to listen.

A NEW VISION FOR THE CARE OF OLDER AUSTRALIANS

The Campaign for Care of Older Australians is made up of the peak bodies and faith-based national service providers of residential and community aged care currently serving the overwhelming majority of older Australians needing care and support.
