

An Australian Government Initiative

Alzheimer's
Australia SA
Living with dementia

SA & NT DTSC

Centre Manager

SA & NT Dementia Training Studies Centre (DTSC)

New Year Opportunity – commencing 2009

Alzheimers Australia SA, with funding from the Australian Government, is focused on delivering a program to improve the dementia care skills of health and aged care workers with the aim of enhancing the quality of life of people with dementia and their carers. The program covers a spectrum of skills from tertiary student level through to advanced practitioner/specialists.

The SA & NT DTSC is led by Alzheimer's Australia SA and is a collaboration of nine organisations and universities which through the utilisation of specific dementia expertise is providing excellent outcomes for people with dementia, their carers and professionals within the sector through training and education opportunities.

The program is seeking the additional skills that a centre manager will add to the mix to enhance the outcome of the program. This position will report to the centre Director and will have at least two direct reports, a project consultant and administration/project assistant.

A tertiary-level education background and a high level of knowledge in the dementia field would equip candidates to manage this unique and rewarding career opportunity. Operational managers with the ability to move from management of projects through to training delivery of components of projects are skills are highly sought for this role.

The position is based in Adelaide with an excellent remuneration package negotiable for the right candidate. Remuneration benefits include access to full Public Benevolent Institution salary packaging (\$16,050pa), pre-tax reimbursements for meals & entertainment expenses and 10% superannuation.

This is an excellent opportunity for those seeking a satisfying and fulfilling role within a team environment, whilst making a positive contribution to individuals, community and the society in general. For full details on the roles, download the position description from our web-site www.alzheimers.org.au (click SA site – employment). Telephone enquiries can be made to either Leonie Phillips or Marie Alford on (08) 8372 2100.

All applications to be in WORD format and sent to jobs@alzheimerssa.asn.au

Applications close COB Monday 5 January 2009.

Training to care for people with dementia
