School of Nursing & Midwifery  
The Health Research Hub**

## **Mini-Conference on Disaster Health**

**A half day Mini Conference for health professionals and students working  
across all sectors hosted by**

**Professor Paul Arbon AM**

with

**Guest speakers**

**Dr Joyce Williams**

*The Johns Hopkins University*

**Associate Professor Zhang Yan**

**Associate Professor Yang Yann**

*The Third Military Medical University*

**Ms Mayumi Kako**

*Flinders University*

The Mini-Conference will discuss the science of disaster health. How do we understand the interaction between disaster and community and what are the effect on health? How should we prepare? Specific case studies will underpin this discussion including reports from the 2008 Sichuan Earthquake and the Kobe earthquake.

**Thursday, 4 December 2008**

**Time: 1.00pm – 4.00pm**

**Sturt Buildings, Room N416**

Cost: \$10.00 pay on arrival (receipt if required)
