Dementia and Learning Disabilities Workshop Presented by Diana Kerr

Diana Kerr is a prominent expert in the field of dementia and learning disabilities. She has just completed an action research project '**Supporting older people with and without dementia in care homes at night**'.

Diana is an advisor to service providers and planners who support people with dementia and people with a learning disability and dementia. She is also a freelance trainer to direct care staff, managers, health and social work professionals, carers and people with a learning disability on the needs of people with dementia.

Topics:

- Meeting the needs of people with a learning disability and dementia
- Responding to the pain needs of people with a learning disability and dementia
- Developing suitable environments
- Good practice in the field of disability and dementia

There is no cost to attend this workshop
