

**PROFESSIONAL DEVELOPMENT OPPORTUNITY
FOR HEALTH PROFESSIONALS**

“WELL BEING & DEMENTIA WORKSHOP”

Adelaide

Friday 6th August AND Friday 20th August 2010

Day 1: August 6th is a full day 9:15am – 4:30pm*

Day 2: August 20th is a half-day 9:15am - 12:30pm

*(Note: Attendance at Day 1 is a **prerequisite** for Day 2. Attendance at Day 2 is **optional**)*

***There is also an assignment to be completed between these two sessions**

This workshop aims to enable allied health professionals to enhance the well-being of clients living with dementia.

RECOMMENDED FOR

Health professionals qualified and/or seeking to be qualified at a tertiary level including, nurses, occupational and diversional therapists, physiotherapists, psychologists, social workers, speech pathologists, and students.

FACILITATOR

Dr Mandy Stanley is an experienced educator and researcher with nearly 30 years experience as an occupational therapist. Mandy has a reputation as an energetic presenter with highly developed skills in workshop facilitation. Her particular interest and passion is in enabling well-being for older people.

LEARNING OBJECTIVES

- Discuss well-being for older people with dementia
- Discuss notions of person hood and person centred care
- Develop strategies for enabling well being for people with dementia
- Implement a strategy for enabling well being in their workplace
- Demonstrate an understanding of evaluation of effectiveness and intervention
