

The Australian and New Zealand Society of Palliative Medicine invites medical practitioners to attend its palliative care forum.

This session will cover managing delirium, information about 'lightening up before death', indications and method of administering palliative sedation, pain and symptom management.

6.30-7.00 pm Registration and light meal

7.00-8.00 pm Presentation – Confusion and consciousness at the end of life

Professor Jane Ingham

Jane Ingham, MBBS, FRACP, FChPM, is a palliative medicine physician and holds the newly created Academic Chair in Palliative Medicine at the University of NSW. She has worked overseas at Memorial Sloan Kettering Cancer Center in New York and in the Georgetown University Medical Center.

Jane has published extensively on a variety of aspects of palliative care, supportive oncology and psycho-oncology. Her research has focused on symptom distress at the end of life, the epidemiology of the end of life experience, and the caregiver experience in the setting of advanced illness. She has a strong interest in education and when overseas was involved in relevant national committees.
