

As the number of aged people in Australia continues to grow, residential aged care has become a vital cog in communities around the country.

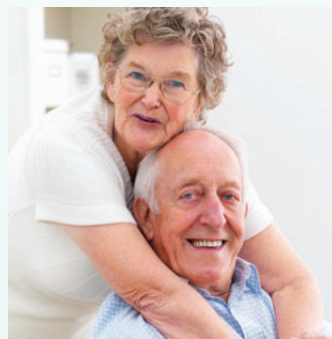

Low, high, dementia and respite care facilities are an essential dimension to the care of older Australians.

- **1.14 million readers still live & own their own home outright**
- **614,900 readers live alone**
- **886,600 readers are female**
- **314,600 readers are aged 60 – 64**
- **629,200 readers are aged 65 – 75**
- **328,900 readers are aged 75+**

The Senior Residential Aged Care feature will highlight the processes for entry, facilities and services that form the basis of this significant industry.

If you are a low, high, dementia or respite care operator providing permanent and or short term aged care service 'Residential Aged Care' is the ideal feature for you.

Do not miss this opportunity to be part of this exciting feature
