Telecommunications: what is the future for TV in aged care facilities?

Date: Thursday 27 November 2008

Time: 9.00–10.30 am (morning tea provided)

Venue: ACS Training Rooms, 246 Glen Osmond Rd, Fullarton SA

Cost: Gold coin donation on the day (but please complete attached Registration Form).

Target audience

CEOs, Site Managers,
Operations Managers

About the session

This information session will bring together representatives in the area of TV/satellite communication installation and pay TV. Presentations will cover upgrading facilities for pay TV, ensuring new facilities are properly equipped to install pay TV when required and preparing for the 2011 digital TV switchover.

Presenters

**Michael Fioravanti and
Terry McPhee**
DVL

Topics

Michael Fioravanti and Terry McPhee from DVL and Lindy Nicholls from Matchmaster will explain the fundamental concepts and layouts of MATV (Television signal distribution within your facility).

They will explain the current analogue system and the conversion to digital format and the implications of this for the aged care industry across Australia.

Lyndy Nicholls
Matchmaster Adelaide

There will also be time for questions and answers about how this digital rollout will affect your facility and how to manage this changeover.

Mark Munchenberg
Foxtel

Mark will discuss how Foxtel plans to work with the aged care sector to enable pay TV to be installed across all areas. He will provide recent, local examples. He will also explain programming information, prices, channels and technical facts, including the commissioning of all work.
