Care of the Client in Residential Care and in the Community

“Caring for Carers”

18th National Conference on Incontinence
Wednesday November 4th 2009
8am - 12pm
Adelaide Convention Centre

Presentations

- **Importance of the carer role** in providing continence and the implications both for the carer and the community of this role. *Ann Robinson RN, CNA*
- **Fundamental explanation of continence functions for carers - Charting.**
Why all those charts and how they are used to plan care?
Ann Robinson RN, CNA
- **Toileting and continence outcomes.** *Ann Robinson RN, CNA*
- **Perfect pads** – output differences which one do you chose?
Ester Nicholson RN, C.N.A
- **Catheters and external drainage- tricky connections!**
Theresa Van Cappelle RN, .NA
- **What about bowels? ?** *Linda Staruchowicz RN. CNA*
- **“Caring for Carers”**- resources, respite, services that are there to help,
National Continence Helpline, funding schemes: CAAS, ILEP, talk by a carer
of journey to get services needed *Marg Nitschke RN, CNA*
- **Do we accept incontinence? What is normal and what is not.** When to ask
for help from medical services. What common tests & treatments may be
done and why?
Dr Ayesha Mohamed
